

TRAINING & PLACEMENT CELL

Prof. Vipul Goti
Training & Placement Officer

Prof. Hiten Khani
Co-Dean, Training

Prof. Mahesh Mangukhiya
Co-Dean, Placement

It is our privileged to place a record of last five successful years of Training & Placement Cell with that we have developed strong relations with industries from couple of years. T & P Cell has been established in year 2013 for providing maximum opportunities to place the students. Training & Placement Cell of SSASIT along with Innovation and Development Cell of Shree Swami Atmanand Saraswati Vidhya Sankul have strong bondage with many industries all over India. Training and Placement Cell is performing various activities like :-

- Inviting Company for placement
- Industrial Training
- Job fair
- Maintaining Industry Advisory Board
- Institutional Membership
- Pool Drive
- Provide Support for Off Campus
- TPO Meet Symposium
- Symposium
- Development of Relations with New Industry
- Soft Skills Development

- In this dynamic era of technological innovations, it is mandatory that the young minds of our country be nurtured and encouraged to be placed at the highest pinnacle of success. SSASIT is one of the institutes that has evolved with time to be at par with the global educational world. SSASIT is an exciting place to study and grow. It is a place where thinkers become leaders, a place where the thirst for knowledge fuels our desire for distinction. Our faculty members are experts in the areas they teach. The interaction between students and professors as well as their challenging work environments, greatly enriches the educational experience for all.
- Training and Internship is an integral and supplementary part of students academic.
- The institute has provided complete infrastructure for effective functioning of all trainings. The cell facilitates the process of curricular and co-curricular training of students besides collaborating with leading organizations and institutes in setting up of internship and training program of students.
- The cell keeps on inviting various companies and reputed firms for delivering seminars, expert talks, workshops, etc.
- It works to module today's energetic engineering grades of SSASIT to young corporals of tomorrow.
- The cell is sensitized to function all through the year towards generating vocational training and internship opportunities for the students.
